Match-making between Community Food Initiatives and Colleges

We can offer a placement for a student

About your organisation

Name of organisation

Contact person

Address

Brief description of organisation

What support and facilities can you offer

Facilities:

For example: Office space and use of computer, internet, photocopier and phone. Stamps and stationery as necessary to complete work.

Support:

For example: Introduction to the project and work we would like done. Occasional meetings by arrangement with a senior member of development staff. General office support.

What you are looking for

Description of work you would like done

For example: We would like a student to work with us to design and implement an evaluation of our food co-op

Estimate of how long the work will take

For example: 2 days a week for 6 weeks

Description of type of student that you think could carry out the work

For example: undergraduate community development student with an interest in food related projects and a good sense of humour

Other opportunities

Please use this space to note any other opportunities you can offer to students *For example: work experience in a café*
