Community Food and Health (Scotland) Annual networking conference 2014

Wednesday 29 October 2014 – Grand Central Hotel, Glasgow

Would you like to share your work at the conference?

The conference planning group would like to give you the opportunity to showcase your work. Creative, innovative or challenging aspects of your practice from across Scotland presented in a way that suits you, i.e. during the marketplace, a presentation (to some, not all of the audience), a workshop or a short speed presentation*.

The marketplace will be a place where you can showcase resources, pieces of work and your organisation. You will be able to discuss your work with delegates during the coffee and lunch break as well as a dedicated marketplace space during the programme.

The conference planning group welcome contributions on any aspect of community food work. If you are interested in being involved please complete the attached form.

Your form should be no more than 200 words long, please include the title and your name at the top of the page. If you have any questions please contact Jane Oliver, janeoliver1@nhs.net or telephone on 0141 414 2792.

Completed forms should be sent electronically to:
janeoliver1@nhs.net by **Friday 18th July 2014**.

Forms will be gratefully received and acknowledged on receipt (by email). Following review, people will be invited to participate by the end of August 2014. Information and presentation tips will also be given at this time. If proposed contributions are unsuccessful feedback will be given.

**A short speed presentation would be you talking to a small group of people without slides round a table. A project or piece of work you have been involved in that has learning people would value hearing about. You may want to use hand outs during your talk. Please note that you may be asked to repeat your talk several times during one session.*

Contributing at the CFHS 2014 conference - form
